### **Collective NSMBA Board of Directors Skills Required:**

Approachable, detail oriented, solution focused problem solver, effective communicator, organized, big picture thinker, relationship builder, self-motivated, creator of FUN, ability to meet deadlines, loves mountain biking, community partner.

### **Priority Skills/Experience needs for NSMBA's 2018 Board of Directors:**

Marketing and social media strategy/content creation, Graphic Design, Sponsor and Community partnership and engagement, Non-Profit Fundraising, Project & Event Management, High-level People Management, High Communication skills, grant proposal writing, public engagement, budget management

### **Demographics:**

- A majority of our current Directors live in North Vancouver and love mountain biking; we highly encourage that candidates are living in the Metro Vancouver Area due to the events and connection needed to the community.
- A director will typically spend approximately 5 hours or more each week on NSMBA related tasks so having time to spare is necessary
- We strive to further diversify the Board through a wide range of ethnicities, ages, genders, and backgrounds, more accurately representing the population of Metro Vancouver and mountain biking community.
